

About Flexiti Financial

Flexiti has reimagined point-of-sale (POS) consumer financing to drive sales for retailers in-store and online, becoming one of Canada's leading private label credit card issuers. Through our award-winning platform, we deliver a POS financing experience across any device that is customer-centric, simple and intuitive. Without the need to integrate into existing POS systems, retail partners can easily offer the same fast and paperless financing solution across all retail locations and sales channels to increase revenue and build loyalty through repeat purchases. Flexiti's joint venture with Globalive Technology demonstrates its commitment to innovation in the payments space through the development of solutions leveraging artificial intelligence and blockchain technology. With high approval rates, innovative products and services, flexible promotional offers and a partnership-first approach, Flexiti is helping people improve their lives through better financing.
